

ICOM CANTEEN

The Islamic College of Melbourne offers a canteen service to students during recess and lunch, Monday to Friday. Primary students are to put in recess and/or lunch order during morning homeroom to the teacher. Please ensure the students name, class, order and amount given is clearly written on the envelope. Secondary students are to purchase directly from the canteen.

The canteen menu may change from time to time. During Ramadan and on student free days, the canteen is closed.
